

## Faulding® Everyday Multi 150 Tablets

Faulding® Everyday Multi Supports cardiovascular, nervous system and immune health also:

- Supports cardiovascular, nervous system and immune health.
- Contains a wide range of vitamins and minerals

### About this product

Faulding® Remedies Everyday Multi contains a wide range of vitamins and minerals to support the health of the cardiovascular system, nervous system and immune system. This formula is beneficial during times of stress and contains nutrients that are involved in the production of energy in the body. It contains nutritional antioxidants and can protect the body from the damaging effects of free radicals. Vitamin D is important for strong healthy bones and helps to maintain healthy blood sugar levels in healthy people. Faulding® Remedies Everyday Multi assists in the healing and repair of skin and provides nutrients, which are essential for healthy growth of skin nails and hairs. It maintains the health of the eyes and assists in the maintenance of general wellbeing.

Always read the label. Follow the directions for use. If symptoms persist, talk to your healthcare professional. Supplements should not replace a balanced diet.
