

Faulding® Gold Toddler Milk Drink Stage 3 900g Powder

Faulding® Gold Toddler Milk Drink Stage 3 Premium Australian formula. Made in Gippsland, Victoria using Australian milk. Premium nutrition for your Toddler's growing needs.

About this product

Faulding® Gold Toddler Milk Drink is made in Gippsland, Victoria with the milk base from grass-fed Australian dairy cows.

The Faulding® Gold range contains milk derived whey and casein protein, along with essential vitamins and minerals to help provide your child with the nourishment they require for their growing bodies.

Faulding® Gold Toddler Milk Drink Stage 3 has been specifically formulated to nourish the growing needs of Toddlers 12 months - 3 years.

Faulding® Gold product range is one of only a few premium standard formulas made in Australia from Australian milk and sold in Australian pharmacies.

*Serve size 4 x 8.6g scoops = 34g

Mix with 240mL water

** LCs = Long Chain Polyunsaturated fatty acids

*** GOS = Galacto-oligosaccharides

MP⁴ = Monophosphate

Contains

Allergens: Milk, soy and fish.

Directions for use

Follow Preparation Guide as pictured below

TODDLER'S AGE	PRE-BOILED LUKEWARM WATER	LEVEL SCOOPS	FEEDS PER 24 HRS
1 - 3 YEARS	240mL	4	1 TO 2

1 SCOOP = 8.6g OF POWDER.

TO BE CONSUMED WHEN ENERGY AND NUTRIENT INTAKES MAY NOT BE ADEQUATE.

Note that your toddler may need more or less than indicated. This is a general guide only.

Preparation Faulding® Gold Stage 3 Toddler Milk Drink

Mix 4 scoops of Stage 3 Toddler Milk Drink with 240mL water in a glass or shaker. Stir or shake until dissolved, or blend with fresh fruit to make a fresh fruit smoothie.

When preparing food for your toddler, such as breakfast cereals, or when baking treats, ordinary cow's milk can be substituted with Stage 3 Toddler Milk Drink.

1 scoop = 8.6g of powder.

Warnings

Breast milk is best for babies.

Follow instructions exactly. Prepare bottles and teats as directed. Do not change proportions of powder except on medical advice. Incorrect preparation can make your baby very ill.

Product Storage

After opening, reseal can with the cap to keep airtight. Use contents within 4 weeks. Store in a cool dry place.
