

Faulding® Probiotics for Women 30 Capsules

Faulding® Probiotics for Women Supports healthy vaginal and microflora also:

- Helps support healthy vaginal microflora.
- May assist in maintaining urinary tract and genital health.

About this product

Faulding® For Women is a high potency multi-strain probiotic supplement, which aids in maintaining the health of the genitourinary tract and supports healthy vaginal and bowel microflora. Supplementation during pregnancy and while breastfeeding may assist in healthy gastrointestinal colonisation of the newborn for the first few months of life and may support healthy immune function of the newborn. It supports the health and function of the immune system, improving immune parameters in healthy people and the health of the gastrointestinal tract. Faulding® For Women May assists in maintaining a healthy balance of microflora after antibiotic administration and supports healthy bowel habits. Faulding® Probiotics do not require refrigeration at any point, due to their patented manufacturing technique so they are great for travel, your handbag or to have on your desk at work.
