

Faulding® Probiotics Mum & Bub 30 Capsules

Faulding® Probiotics Mum & Bub For pre & postnatal support also:

- For pre and post natal support.
- Contains 3 probiotic strains selected for their benefits during pregnancy and breastfeeding.

About this product

Faulding® Probiotics Mum & Bub contains three probiotic strains specially selected for their benefits during pregnancy and while breastfeeding. *Lactobacillus rhamnosus* may assist in reducing the risk of eczema in the first 2 years of a new born life. *Bifidobacterium lactis* supports the health and function of the immune system, while all of the three probiotic strains assist in the digestion and absorption of nutrients which supports well-being for both baby and mother to be. Faulding® Probiotics do not require refrigeration at any point, due to their patented manufacturing technique so they are great for travel, your handbag or to have on your the desk at work.
