

Faulding® Probiotics with Cranberry 30 Capsules

Faulding® Probiotics with Cranberry Supports urinary tract health also:

- Supports urinary tract health.
- Supports the health of the gastrointestinal tract.

About this product

Faulding® Probiotics with Cranberry contains non-pathogenic micro-organisms administered to improve microbial balance, particularly in the gastrointestinal tract. The formulation works to support the health of the gastrointestinal tract and support and maintain the health of the urinary tract and bladder. Faulding® Probiotics with Cranberry helps to maintain healthy bowel habits and may assist in the relief of constipation. Faulding® Probiotics with Cranberry may assist in maintaining a healthy balance of gut microflora after antibiotic administration. It also helps to maintain the health of the urinary tract and general wellbeing of women during pregnancy. Faulding® Probiotics do not require refrigeration at any point, due to their patented manufacturing technique so they are great for travel, your handbag or to have on your the desk at work.
