

Faulding® Remedies Echinacea High Strength 60 Capsules

Faulding® Remedies Echinacea High Strength Supports the health and function of the immune system

About this product

Faulding® Remedies High Strength Echinacea capsules support the health and function of the immune system. It contains Echinacea, which has immunomodulatory activity and can therefore support a healthy immune system response. Echinacea is traditionally used in herbal medicine to assist with the relief of the symptoms of colds and assist in the management of colds and mild upper respiratory tract infections. Echinacea also has antioxidant activity, which may therefore assist in protecting the body from the effects of free radical damage.
